This Essanay scenic reel shows the wonders of the 2,000 square miles comprising the Rocky Mountains Park. The enchanting Bow River valley, its falls and rapids; the climb up the Cascade Mountains, country where the buffalo still roam the haunts of ancient days. You will also see the precipitous Mount Rundle, poking its frost-bitten nose 9,788 feet into the sky, and other famous and wonderful peaks including Mount Field and Snowpeak Avenue, between Field and Emerald Lakes. Boating and fishing in the Moho Valley, including Takakakaw Falls, higher than Niagara.
